LAUNCH YOUR CAREER IN GERMANY – BECOME PART OF A WORLDWIDE NETWORK

**Implement your project with a German Chancellor Fellowship
for tomorrow's leaders.**

The Alexander von Humboldt Foundation offers prospective leaders from Brazil, China, India, South Africa and the USA the opportunity to conduct a project as guests of the partner of their choice in Germany.

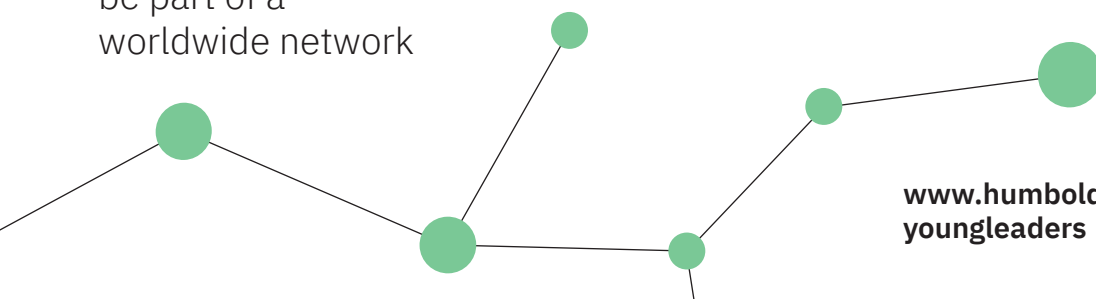

With the support of your host, you can spend a year concentrating on a project you have chosen yourself, participate actively in an international network of young leaders and give your career that crucial boost. German Chancellor Fellowships are open to an array of sectors such as politics, economics, media, administration and culture.

Joint events and a reception at the German Chancellery will provide opportunities to meet other fellows and gain insights into contemporary issues in Germany. An intensive language course will help smooth your path into everyday life in Germany. You can time your visit to Germany flexibly to suit your individual needs.

The Chancellor of the Federal Republic of Germany is the patron of this fellowship programme.

Submit your application by 15 October. The recommended start date for fellowships is 1 October of the following year.
